

Career Partners International Poland Invites you to a **WEBINAR dedicated to HR & CEOs**

During this turbulent, disruptive time, we support you in navigating the change by sharing the key learnings gathered from career counselors, work psychologists, organizational experts. Join CPI Poland CEO, Anna Schmidt, and her guests from ShakeUp the Workplace to discuss:

- Future of Work – how these rapid changes from now will impact us for years to come – check out the best practices from #COVID19 – key learnings from our international partners
- What to do when your resources for outplacement are scarce, but you still want to support your employees? Discover alternative ways to help your transitioning team members when your organization is faced with harsh business reality.

As we practice *giving&sharing* philosophy of work, this webinar is interactive in nature. Thus, prior to the meeting we welcome your Qs and during the webinar we encourage you to engage in a conversation with us .
