BBC ON THE ROAD: Szczecin & Świnoujście

7-9 October 2026

Economic Mission of De Vlaamse Waterweg

From **7 to 9 October 2026**, De Vlaamse Waterweg will lead an economic mission to **Szczecin and Świnoujście**, focusing on ports, logistics, inland waterways, intermodal transport and industrial development.

On this occasion, the **Belgian Business Chamber in Poland (BBC)** is organising a special edition of **BBC On the Road**, offering BBC members the opportunity to join selected parts of the programme, meet the Belgian delegation and discover the business potential of the Szczecin-Świnoujście region.

The programme will combine **business networking, institutional meetings and site visits**, with a particular focus on the region's maritime and logistics infrastructure and the opportunities for Belgian and Flemish companies.

Participants will also have the opportunity to **discover Belgian companies already operating in the region**, learn about their activities and explore potential business connections.

DAY 1 | Wednesday, 7 October

Szczecin

- **15:00–18:00 | Port of Szczecin–Świnoujście**
 - Presentation of the port's activities, development plans and investment opportunities
 - Overview of cargo volumes, logistics infrastructure and connectivity
 - Inland waterways and rail connections
 - Opportunities for Belgian and Flemish companies
 - Q&A and discussion with representatives of the port and business community
 - Presentations by **Vestas** and **Magemar Polska**
- Evening networking and dinner

Conference venue: THPV Bembridge 1938, subject to final confirmation. Alternative venue: Stara Rzeźnia.

DAY 2 | Thursday, 8 October

Ports, Inland Waterways & Industry in Szczecin

09:20–10:00 | FAST Terminals & FAST Baltic

Visit and introduction to the company's operations.

10:20–11:00 | RIS Centre – Inland Navigation Office

Meeting and discussion on inland navigation and the future development of waterways.

11:30–12:15 | Regional Waterways Authority – Icebreakers Base, Podjuchy

Visit and introduction to waterway infrastructure and operations.

13:00–16:00 | Port Cruise – "Queen of Szczecin"

A cruise through the port and surrounding industrial areas, including an overview of:

- General cargo and container facilities
- Bulk cargo areas
- Industrial and shipbuilding facilities
- Vestas
- Port of Police

The cruise will also provide an opportunity for **networking with the Flemish delegation, BBC members and other invited business organisations.**

Late afternoon | Vestas

Visit / drive through the factory area, subject to final confirmation.

Evening | Networking Dinner

An informal evening gathering bringing together the Flemish delegation, BBC members and representatives of the local business community.

DAY 3 | Friday, 9 October

Szczecin → Świnoujście

09:00 | Departure from Szczecin

10:30–11:15 | ORLEN Neptun – Offshore Terminal

Visit and presentation.

11:30–12:15 | Euroterminal Świnoujście

Visit and presentation.

12:30–13:00 | Ferry & Intermodal Terminal

Short visit and introduction to the infrastructure.

13:30 | Closing lunch

- Final networking opportunity

An additional visit to the LNG Terminal in Świnoujście may be considered, depending on the final programme and available time.

Meet the delegation. Discover the region. Connect with Belgian business.

BBC members joining the programme will have the opportunity to:

- meet representatives of **De Vlaamse Waterweg** and participating Belgian/Flemish companies;
- explore the **Szczecin–Świnoujście port and logistics ecosystem**;
- discover Belgian companies already active in the region;
- meet local institutions and business stakeholders;
- identify potential partners, clients and investment opportunities;
- experience the region's infrastructure first-hand.

BBC On the Road is open to BBC members interested in expanding their network beyond Warsaw and discovering new business opportunities in Poland.
